Los Angeles, California 90012

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

23 FEBRUARY 16, 2010

SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

APPROVAL TO ACCEPT AN AMERICAN RECOVERY AND REINVESTMENT ACT JUSTICE ASSISTANCE GRANT SUBSTANCE ABUSE OFFENDER TREATMENT PROGRAM AWARD FROM THE CALIFORNIA EMERGENCY MANAGEMENT AGENCY AND TO EXECUTE A CERTIFICATE OF ASSURANCE OF COMPLIANCE RECOVERY JUSTICE ASSISTANCE GRANT

**(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Approval to accept an American Recovery and Reinvestment Act Justice Assistance Grant– Substance Abuse Offender Treatment Program grant award from the California Emergency Management Agency and to obtain delegated authority to accept and execute related future grant awards and/or amendments.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair to sign a Certificate of Assurance of Compliance (Exhibit I) to complete the American Recovery and Reinvestment Act (ARRA) Justice Assistance Grant (JAG)– Substance Abuse Offender Treatment Program (OTP) [JAG/OTP] grant application process from the California Emergency Management Agency (CalEMA) for the enhancement of substance abuse treatment services.

2. Delegate authority to the Director of the Department of Public Health (DPH), or his designee, to accept a forthcoming JAG/OTP grant award from CalEMA for the period October 1, 2009 to March 31, 2011, at an estimated amount of \$10,444,559, with the possibility of an additional 30 percent, at no net County cost, subject to availability of funds.

3. Delegate authority to the Director of DPH, or his designee, to accept and execute future grant awards and/or amendments that are consistent with the requirements of JAG/OTP that provide for additional funding and/or extension of the term of the grant award as determined by the grantor that allows for the roll-over of unused JAG/OTP grant funds; and/or provides for an increase or decrease in funding up to 30 percent of each year's base award amount, subject to review and approval by County Counsel, and the Chief Executive Office, and notification to your Board.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will enable DPH to comply with grant application requirements, and will allow DPH to accept forthcoming grant awards and any related amendments. Your Board signature on the Certificate of Assurance of Compliance will certify the County's compliance with standard state contract requirements, e.g., employment and environmental requirements. This action will also allow DPH to accept any amendments or adjustments to the grant for the rolling over of unused funds and/or to increase or decrease funding without service interruptions.

The purpose of the JAG/OTP funds is to: 1) enhance the substance abuse treatment services to non-violent offenders through implementing a drug court-like model that builds upon Los Angeles County's existing criminal justice collaborations, and allows the length of treatment to expand from six months up to a maximum of eight months, where needed; 2) increase the proportion of convicted offenders who enter, remain in, and complete treatment by expanding the treatment continuum to include less intensive, such as low cost outpatient counseling models and less costly treatment services options including intensive outpatient detoxification services; 3) reduce delays in the availability of appropriate services; and 4) utilize a drug court-like model, including regularly scheduled reviews of offenders' treatment progress, and collaboration between the courts, probation, and treatment providers.

Services will be provided by the DPH's Alcohol and Drug Program Administration's (ADPA) existing network of criminal justice program and treatment contractors that provided services to Proposition 36 (Prop 36) participants.

Implementation of Strategic Plan Goals

The recommended actions support Goal 2, Children, Family and Adult Well-Being and Goal 4, Health and Mental Health of the County Strategic Plan through the provision of substance abuse treatment to non-violent drug offenders which will eliminate or reduce the use of alcohol and other drugs that affect an individual's physical and mental health, and the community as a whole.

FISCAL IMPACT/FINANCING

Under these proposed actions, DPH has applied for and may potentially receive \$10,444,559, with the possibility of an additional 30 percent, from CalEMA for the period October 1, 2009 through March 31, 2011. Of the \$10,444,559, an estimated \$8,986,560 (86%) will be distributed to 93 Prop 36 contractors, \$123,892 (1%) will be allocated to DPH's Antelope Valley Rehabilitation Center, and \$1,334,107 (13%) is estimated for DPH administrative costs.

If approved by your Board and awarded the grant, DPH will return to your Board to request approval of an appropriation adjustment.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

CalEMA is responsible for the administration of this one-time federal funding opportunity in the amount of \$44,400,000 to be distributed to counties for the provision of substance abuse treatment for criminal offenders convicted of nonviolent drug offenses. Of this amount, the County's allocation is estimated to be \$10,444,559 which may increase by up to 30 percent if other counties opt out of the program.

On November 7, 2000, California passed Prop 36, the Substance Abuse and Crime Prevention Act (SACPA) of 2000. SACPA made substantial changes to both the criminal justice system and the substance abuse treatment service system and mandated that any person convicted of a nonviolent drug possession offense, and any parolee who violated drug-related condition of parole, be diverted from incarceration into licensed or certified community-based drug treatment programs.

For fiscal year 2009-10, the State of California eliminated the funding for Prop 36 treatment services. To continue funding a level of services, the State partially backfilled the Prop 36 funding gap. In September 29, 2009, based on the receipt of the first round of gap fill funding received immediately from the State, your Board approved amendments to the 93 Prop 36 contracts to reduce funding, decrease services, and extend the contracts through June 30, 2010. The decision to extend the contracts was based on the anticipation of this second round of funding and the potentially short deadline in which to implement the funding. These agencies continue to provide these services.

With these anticipated JAG/OTP funds, ADPA intends to utilize the existing network of criminal justice program and treatment contractors to enhance substance abuse treatment services to non-violent offenders, effective October 1, 2009 through March 31, 2011, via sole source amendments. A forthcoming Board letter will request the authority to enter into sole source agreements and amend program services.

Among the programmatic changes, ADPA proposes to implement a drug court-like model that will provide enhanced treatment services, judicial oversight and probation supervision. Treatment services will expand from the current six-months to a maximum of eight months. ADPA's current treatment continuum includes: outpatient counseling, day care rehabilitative services, narcotic treatment programs, residential medical detoxification services, and residential services. In addition to the current services, ADPA will expand the treatment continuum to include less costly treatment service options, such as low cost outpatient counseling models and intensive outpatient detoxification services. Like participants of the Prop 36 program, all persons served under the JAG/OTP funds will be on probation or parole.

CONTRACTING PROCESS

On November 5, 2009, CalEMA released the 2009 Request for Applications for the ARRA JAG/OTP Grant for substance abuse treatment services and in December 2009, ADPA responded. The application is in the review process and will only be completed after submission of a required Certification of Assurance of Compliance form signed by the County's Chair. The funds are expected to be received approximately six weeks after completion of the review process.

Given the short implementation time frame of this grant, it would not be advantageous to conduct a lengthy solicitation process. Therefore, upon Notice of Award, ADPA proposes to enter into sole source amendments with existing Prop 36 contractors to provide the required enhancement of the substance abuse treatment program based on the contractor's OTP experience. These providers are listed in Attachment A.

DPH will return to your Board to request approval of the sole source amendments.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Alcohol and drug treatment services for non-violent offenders will be enhanced by implementing the purpose of JAG/OTP throughout Los Angeles County.

Respectfully submitted,

JONATHAN E. FIELDING, M.D., M.P.H.
Director and Health Officer

Executive Officer, Board of Supervisors

**CERTIFICATION OF ASSURANCE OF COMPLIANCE
RECOVERY JAG
METHAMPHETAMINE LABORATORY OPERATIONS**

The applicant must complete a Certification of Assurance of Compliance-Recovery JAG (Cal EMA 2-104j), which includes details regarding Equal Employment Opportunity Program (EEO), Drug Free Workplace Compliance, California Environmental Quality Act, Lobbying, Debarment and Suspension requirements, Proof of Authority from City Council/Governing Board, and compliance with the provisions of the National Environmental Policy Act (NEPA) relating to clandestine methamphetamine laboratories. The applicant is required to submit the necessary assurances and documentation before finalization of the Grant Award Agreement. In signing the Grant Award Face Sheet, the applicant formally notifies Cal EMA that the applicant will comply with all pertinent requirements.

Resolutions are no longer required as submission documents. Cal EMA has incorporated the resolution into the Certification of Assurance of Compliance, Section VI, entitled, "Proof of Authority from City Council/Governing Board." The Applicant is required to obtain written authorization (original signature) from the City Council/Governing board that the official executing the agreement is, in fact, authorized to do so, and will maintain said written authorization on file and readily available upon demand. This requirement does not apply to state agencies.

**CERTIFICATION OF ASSURANCE OF COMPLIANCE
RECOVERY JAG
METHAMPHETAMINE LABORATORY OPERATIONS**

I, John Viernes, Jr. hereby certify that
(official authorized to sign grant award; same person as Section 12 on Grant Award Face Sheet)

RECIPIENT: Los Angeles County

IMPLEMENTING AGENCY: Alcohol and Drug Program Administration

PROJECT TITLE: American Recovery and Reinvestment Act Justice Assistance Grant Offender Treatment Program

is responsible for reviewing the *Grant Recipient Handbook* and adhering to all of the Grant Award Agreement requirements (state and/or federal) as directed by Cal EMA including, but not limited to, the following areas:

I. Equal Employment Opportunity – (Recipient Handbook Section 2151)

It is the public policy of the State of California to promote equal employment opportunity by prohibiting discrimination or harassment in employment because of race, religious creed, color, national origin, ancestry, disability (mental and physical) including HIV and AIDS, medical condition (cancer and genetic characteristics), marital status, sex, sexual orientation, denial of family medical care leave, denial of pregnancy disability leave, or age (over 40). **Cal EMA-funded projects certify that they will comply with all state and federal requirements regarding equal employment opportunity, nondiscrimination and civil rights.**

Please provide the following information:

Equal Employment Opportunity Officer: Dennis A. Tafoya

Title: Director, Office of Affirmative Action Compliance

Address: 780 Kenneth Hahn Hall of Administration
500 West Temple Street, Room 780 Los Angeles, CA 90012

Phone: (213) 974-1080

Email: dtafoya@oaac.lacounty.gov

II. Drug-Free Workplace Act of 1990 – (Recipient Handbook, Section 2152)

The State of California requires that every person or organization awarded a grant or contract shall certify it will provide a drug-free workplace.

III. California Environmental Quality Act (CEQA) – (Recipient Handbook, Section 2153)

The California Environmental Quality Act (CEQA) (*Public Resources Code, Section 21000 et seq.*) requires all Cal EMA funded projects to certify compliance with CEQA. Projects receiving funding must coordinate with their city or county planning agency to ensure that the project is compliance with CEQA requirements.

IV. Lobbying – (Recipient Handbook Section 2154)

Cal EMA grant funds, grant property, or grant funded positions shall not be used for any lobbying activities, including, but not limited to, being paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

V. Debarment and Suspension – (Recipient Handbook Section 2155)

(This applies to federally funded grants only.)

Cal EMA-funded projects must certify that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a state or federal court, or voluntarily excluded from covered transactions by any federal department of agency.

VI. Proof of Authority from City Council/Governing Board

The above-named organization (applicant) accepts responsibility for and will comply with the requirement to obtain written authorization from the city council/governing board in support of this program. The applicant agrees to provide all matching funds required for said project (including any amendment thereof) under the Program and the funding terms and conditions of Cal EMA, and that any cash match will be appropriated as required. It is agreed that any liability arising out of the performance of this Grant Award Agreement, including civil court actions for damages, shall be the responsibility of the grant recipient and the authorizing agency. The State of California and Cal EMA disclaim responsibility of any such liability. Furthermore, it is also agreed that grant funds received from Cal EMA shall not be used to supplant expenditures controlled by the city council/governing board.

The applicant is required to obtain written authorization from the city council/governing board that the official executing this agreement is, in fact, authorized to do so. The applicant is also required to maintain said written authorization on file and readily available upon demand.

**SPECIAL CONDITIONS OF RECOVERY JAG PROJECTS
METHAMPHETAMINE LABORATORY OPERATIONS**

This special condition facilitates compliance with the provisions of the National Environmental Policy Act (NEPA) relating to clandestine methamphetamine laboratories, including the seizure and/or removal of clandestine methamphetamine laboratories [hereinafter, "meth lab operations"].

The United States Environmental Protection Agency (USEPA) has determined that, "law enforcement responsibilities terminate when the law enforcement official notifies the property owner of record, the state, and the local environmental or public health agencies in writing of a possible site contamination at a clandestine lab."

Law enforcement personnel may seize as evidence and remove any bottles, cans, jugs and other containers, as well as contaminated apparatus and chemical samples from a clandestine drug site, however, law enforcement agencies are not responsible for the cleanup/remediation of any rooms, buildings or surrounding environments, including septic systems, rivers, streams or contaminated soils.

(Check one of the following four boxes)

Will not accept the Recovery JAG funds for the period of

OR

Will accept the Recovery JAG funds for the period of _____ but will not use them in the **seizure or removal** of clandestine methamphetamine laboratories.

OR

Will accept the Recovery JAG funds for the period of _____, and comply with Federal, State, and local environmental, health, and safety laws and regulations applicable to the **seizure** of clandestine methamphetamine laboratories. Said compliance will include the following mitigation measures:

1. Recipient will provide medical screening of personnel assigned or to be assigned by the recipient to the seizure of clandestine methamphetamine laboratories;
2. Recipient will provide Occupational Safety and Health Administration (OSHA) required initial and refresher training for law enforcement officials and all other personnel assigned to the seizure of clandestine methamphetamine laboratories;
3. Recipient will equip personnel, as determined by their specific duties, with OSHA required protective wear and other required safety equipment;
4. Recipient will notify the Department of Toxic Substances Control (DTSC), and send written notification to the property owner of record, and the local Environmental Management and/or Public Health Department whenever a clandestine methamphetamine laboratory is seized; and
5. Recipient will enter into a written agreement with the local Social Services Department to notify the local Social Services Department whenever a minor is found at a clandestine methamphetamine laboratory site, and, if determined to be necessary, require that qualified personnel be dispatched to the site and, if determined to be necessary:
 - (i) Respond to the minor's health needs that relate to methamphetamine toxicity;
 - (ii) Take the minor into protective custody unless the minor is criminally involved in the clandestine methamphetamine laboratory activities or is subject to arrest/detention for other criminal violations;
 - (iii) Arrange for medical testing for methamphetamine toxicity; and
 - (iv) Arrange for any follow-up medical tests, examinations, or health care made necessary as a result of methamphetamine toxicity.

OR

Will accept the Recovery JAG funds for the period of _____, and comply with Federal, State, and local environmental, health, and safety laws and regulations applicable to the **seizure and/or removal** of clandestine methamphetamine laboratories. Said compliance will include the following mitigation measures:

1. Recipient will provide medical screening of personnel assigned or to be assigned by the recipient to the seizure and/or removal of clandestine methamphetamine laboratories;
2. Recipient will provide Occupational Safety and Health Administration (OSHA) required initial and refresher training for law enforcement officials and all other personnel assigned to the seizure and/or removal of clandestine methamphetamine laboratories;
3. Recipient will equip personnel, as determined by their specific duties, with OSHA required protective wear and other required safety equipment;
4. Recipient will send written notification to the property owner of record, and the local Environmental Management and/or Public Health Department whenever a clandestine methamphetamine laboratory is seized;
5. Recipient will enter into a written agreement with the local Social Services Department to notify the local Social Services Department whenever a minor is found at a clandestine methamphetamine laboratory site, and, if determined to be necessary, require that qualified personnel be dispatched to the site and, if determined to be necessary:
 - (v) Respond to the minor's health needs that relate to methamphetamine toxicity;
 - (vi) Take the minor into protective custody unless the minor is criminally involved in the clandestine methamphetamine laboratory activities or is subject to arrest/detention for other criminal violations;
 - (vii) Arrange for medical testing for methamphetamine toxicity; and
 - (viii) Arrange for any follow-up medical tests, examinations, or health care made necessary as a result of methamphetamine toxicity.
6. Recipient will assign properly trained personnel to prepare a Hazard Assessment and Recognition Plan (HARP) for the clandestine methamphetamine laboratory site;
7. Recipient or DTSC will utilize qualified disposal personnel to remove the chemicals, associated glassware, equipment, and contaminated materials and wastes from the clandestine methamphetamine laboratory site;
8. Recipient or DTSC will dispose of the chemicals, associated glassware, equipment, and contaminated materials and wastes at properly licensed disposal facilities or, when allowable, at properly licensed recycling facilities; and
9. Recipient or DTSC will monitor the records involving the transport, disposal and recycling components of subparagraphs numbered 7 and 8 immediately above in order to ensure proper compliance.

All appropriate documentation must be maintained on file by the project and available for Cal EMA or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Recipient may be ineligible for award of any future grants if the Cal EMA determines that any of the following has occurred:

(1) the Recipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION	
I, the official named below, am the same individual authorized to sign the Grant Award Agreement [Section 12 on Grant Award Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant recipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.
